NEW YORK COLLEGIATE BASEBALL LEAGUE • WWW.NYCBLE.COM

Prepared by Jordan Zaman and Tim Mullhaupt - NYCBL Communications Interns
1.) If there is a tie(s) for any place(s) in the standings, then the results of
the in-season head-to-head competition shall be used to break that tie. If those teams are still tied after head to
head is looked at or the tied teams did not play during the regular season and the tie is for the last remaining
playoff spot a one game playoff will take place between the clubs. A coin toss will be used to determine home
field for the one game playoff.

2.) If there is a tie among three or more teams for a place in the standings,
the league shall use the overall records of the tied teams against each other as the tie-breaker. The team(s) with
the best record vs. each other shall be given the higher seed. Between the remaining two teams the procedure for
the two-team tiebreaker shall be used. If those teams are still tied after head to head is looked at and the tie is for
the last remaining playoff spot a one game playoff will take place between the clubs. A coin toss will be used to
determine home field for the one game playoff.

3.) If there is a tie among two or more teams for a place in the standings, and
after comparing the overall records of the tied teams against each other or the teams have not played head-to-
head and there still remains a tie, then the committee shall use the best record against the highest seeded teams
remaining in descending order as the tiebreaker.

4.) If after comparing everything above and the tie still can't be broken. The team who has allowed the fewest
runs per game will be the higher seed.

5.) Final tiebreaker shall result in a coin toss by the League office.
• If for whatever the reason the regular season (40 games by each team) can't be completed by Wednesday,
July 24th the overall winning percentage will be used to determine seeding/playoff spots. If there is ties in win-
ing percentage precede the same way you would to break ties in the standings (see above).
• Also note that if a one game playoff cannot be completed because of weather or any other related circumstance
by Wednesday, July 24th at 12pm. Head to Head record will determine who makes the playoffs. If the
teams still remain tied or have not played against each other during the regular season. A coin toss will then be
used to determine which team advances into the playoffs as a last case scenario if a tie can't be broken.
• Once playoffs have started the highest remaining seeded team gets precedent in the event that weather or
any other related circumstance doesn't allow for the games to be played. The league office will determine whether
this happen based on circumstance. All effort will be done to make sure game(s) are played. This goes for any
semifinal and championship series. No championship Game will be played after Wednesday, July 31st at 7pm. If
the series has not started yet the highest remaining seeded team will be named the league champion. If only one
game can be played the winner of that game shall be named the league champion. If the teams split the first two
games and game three cannot be played the highest remaining seeded team shall be named the league champion.

**Playoff Format**
The top six teams will qualify for postseason play. The top two seeded teams will earn a bye into one of the two
semifinal series. The remaining four teams seeded 3-6 will play in one game playoff with 3 vs. 6 and 4 vs. 5 with
the higher seeded team hosting the game. The two winners will advance to play the top two seeded teams in a
best of three semifinal series 1 vs. 4/5 winner and 2 vs. 3/6 winner. The series will alternate home, away, home
with the higher seed hosting the 1st game of the series. The two winners will then play in a best of three NYCBL
Championship series with the highest remaining team earning the rights to host game 1 and game 3 if necessary.
