ABOUT THE NYCBL:
The New York Collegiate Baseball League, founded in 1978, is a summer wood bat development league for professional baseball. Major League Baseball funds a small portion of the league’s annual budget. The league gives college players who have not yet signed a professional contract the opportunity to develop their skills at a higher level of play, gain experience with wood bats, and be evaluated by scouts. The NYCBL is located in scenic Upstate New York.

Teams play a 46 game regular season schedule with games beginning on May 30th and ending in late July. All games are 9 innings, with most doubleheaders scheduled as a 9 inning game followed by a 7 inning game. The All-Star game will be played on July 16th in Oneonta, and the League Championship Series concludes in early August.
